The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Boonsboro, MD Drinking Water Reservoir Replacement project in the Fiscal Year 2025 Energy & Water Development, & Related Agencies Appropriations Bill. The entity to receive funding for this project is the U.S. Army Corps of Engineers - Baltimore District, 2 Hopkins Plaza, Baltimore, MD 21201.

If awarded, this funding would be used to replace the Town's single-basin 1.3 MG finished water reservoir with a 1 MG dual basin concrete tank. This is an appropriate use of taxpayer funds because the reservoir is a critical component of the distribution system, providing the water pressure and pressure relief needed to operate the water system.

This project has a federal nexus because it has been authorized by Section 8375 of the Water Resources Development Act, (PL 117-263). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "David Trone".
