The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sidewalk and Crosswalk Safety Project in the Fiscal Year 2025 Transportation, Housing & Urban Development, & Related Agencies Appropriations Bill. The entity to receive funding for this project is the Town of Grantsville, located at 171 Hill Street, Grantsville, MD 21536.

If awarded, this funding would be used to provide pedestrian and ADA access to the Town of Grantsville's Arts and Entertainment district, the Casselman River Bridge State Park, and tie into the River Road Bikeways Project. New sidewalks and a crosswalk will be constructed along approximately .6 miles of US 40 Alt from Patton Lane to River Road.

The project has a federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133(b). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "David Trone".
