Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sidewalks for All: Downtown Frederick Streetscape project in the Fiscal Year 2025 Transportation, Housing & Urban Development, & Related Agencies Appropriations Bill. The entity to receive funding for this project is the City of Frederick, located at 101 North Court Street, Frederick, MD 21701.

If awarded, this funding would be used for planning and design of a new streetscape project to increase safety, walkability, ADA accessibility, and infrastructure that supports Downtown Frederick residents and businesses. The streetscape project would occur alongside the City's planned stormwater upgrades on Market St. and Patrick St.

The project has a federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133(b). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "David Trone".
