Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for EveryMind's Crisis Prevention and Intervention Services Capacity Building in the Fiscal Year 2022 Labor, Health and Human Services, Education, and Related Agencies Appropriations bill. The entity to receive funding for this project is EveryMind, located at 1000 Twinbrook Parkway Rockville, MD 20851.

If awarded, the funding will be used over a one-year period to complete building out EveryMind's virtual capacity and technology infrastructure. While the pandemic still rages, many individuals have experienced heightened anxiety, stress, depression, and suicidal ideation due to extended periods of social isolation and unprecedented levels of trauma, grief, and loss. At the onset of the COVID-19 pandemic, EveryMind invested in the development of its technology infrastructure to enable Hotline Specialists to answer calls, texts, and chats remotely. These funds would allow EveryMind to continue its efforts to meet the needs of the community while investing in technological infrastructure to help assist the most vulnerable and at risk, wherever they are. This will give a catalytic lift to their crisis prevention and intervention measures and support the mental health and wellness of the Montgomery County community.

I certify that neither I nor any member of my immediate family has any financial interests in this project.

Sincerely,

A handwritten signature in black ink, appearing to read "David Trone".
