Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Boys & Girls Club of Washington County (BGCWC) Pennsylvania Avenue Clubhouse Replacement Project in the Fiscal Year 2023 Transportation, and Housing and Urban Development, and Related Agencies Appropriations bill. The entity to receive funding for this project is the Boys & Girls Club of Washington County, located at 805 Pennsylvania Avenue, Hagerstown, MD 21742.

If awarded, the funding will be used to construct a new Club facility at the site of the current clubhouse which is no longer suitable for use. The proposed new clubhouse will enable BGCWC to increase the average daily attendance of children and teens by 100 to 250 members, doubling their current numbers to serve as many as 500 youth each day. The funding will also allow for the creation of a new Teen Center and implementation of career/workforce development programming, for which the Club currently lacks usable space. The project will serve as an epicenter for neighborhood revitalization and provide essential services to at-risk youth to improve outcomes in social determinants of health.

I certify that neither I nor any member of my immediate family has any financial interests in this project.

Sincerely,

David Trone  
Member of Congress
