Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Relocation and Expansion of CCACC's Health Center in the Fiscal Year 2023 Labor, Health and Human Services, Education, and Related Agencies Appropriations bill. The entity to receive funding for this project is the Chinese Culture and Community Service Center, located at 9318 Gaither Road, Suite205, Gaithersburg, MD 20877.

If awarded, the funding will be used for the renovation and refurbishment of a new site for the CCACC's Health Center. This funding will enable CCACC to build a one-stop health center to provide holistic health and wellness service for underserved populations in Montgomery County. The new clinic site will take up to 10,000 square feet, which will house a primary care clinic, a rehabilitation (providing physical therapy, occupational therapy and behavioral health) center, a radiology clinic, a dental clinic, and a retail pharmacy space all in one location.

I certify that neither I nor any member of my immediate family has any financial interests in this project.

Sincerely,  
A handwritten signature in black ink, appearing to read "David Trone".
