Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Fayette Street Bridge Replacement in the Fiscal Year 2023 Transportation, and Housing and Urban Development, and Related Agencies Appropriations bill. The entity to receive funding for this project is the City of Cumberland, Maryland, located at 57 N. Liberty Street, Cumberland, MD 21502.

If awarded, the funding will be used to replace the existing bridge over CSX Rail on the City of Cumberland's West side. The weight restricted bridge was struck by a CSX Train in June of 2018 and remains partially inoperable. Currently, the bridge is only open to only one-way traffic, creating transit issues across the City. With this funding, the City will construct a federally compliant bridge that will allow vehicular and EMS traffic to cross the bridge.

I certify that neither I nor any member of my immediate family has any financial interests in this project.

Sincerely,

A handwritten signature in black ink, appearing to read "David Trone". The signature is fluid and cursive, with a long horizontal stroke at the end.
