Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Frederick County Crisis Stabilization Center in the Fiscal Year 2023 Labor, Health and Human Services, Education, and Related Agencies Appropriations bill. The entity to receive funding for this project is the Frederick County Government, located at 12 E. Church Street, Frederick, MD 21701.

If awarded, the funding will be used to procure medical and other much-needed equipment for the County's Crisis Stabilization Center (CSC). The funding will enable responsive and appropriate care that will result in better outcomes for the individuals served, efficiencies in caregiving, and benefits to the community as a whole. Crisis stabilization closes a crucial gap in the continuum of care for individuals in distress, providing immediate, supervised care, and connecting them to ongoing care, while relieving the burden by first responders and local hospitals by diverting these individuals from emergency rooms.

I certify that neither I nor any member of my immediate family has any financial interests in this project.

Sincerely,

A handwritten signature in black ink, appearing to read "David Trone", written over a horizontal line.
