The Honorable Kay Granger

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Pittsburgh Institute of Aeronautics Hagerstown Campus Expansion Project in the Fiscal Year 2023 Transportation, and Housing and Urban Development, and Related Agencies Appropriations bill. The entity to receive funding for this project is the Pittsburgh Institute of Aeronautics - Hagerstown, located at 14516 Pennsylvania Ave, Hagerstown, MD 21742.

If awarded, the funding will be used to support the construction of a new 10,000 square foot facility that will provide additional workshop and instructional space to accommodate their growing program for Aviation Maintenance Technicians. Opened in 2011, PIA's Hagerstown Branch Campus is Recognized as a "School of Excellence" in 2019 by the Accrediting Commission for Career Schools and Colleges (ACCSC). The campus is Maryland's exclusive Federal Aviation Administration (FAA) certified Airframe & Powerplant training provider, preparing graduates to work as Aircraft Maintenance Technicians (AMTs). Working in conjunction with the Hagerstown Airport Authority and by request of the Governor's Workforce Investment Board, PIA instituted the aviation maintenance technician school to help serve the workforce needs of both Maryland and the rest of the nation.

I certify that neither I nor any member of my immediate family has any financial interests in this project.

Sincerely,

David Trone  
Member of Congress
