17 vidual or the incarcerated individual's designee;

23 (F) ensuring that protective custody and
24 other custody designations designed to protect
25 vulnerable incarcerated individuals, regardless

25 solitary confinement for any duration;

1 (K) ensuring that correctional facility offi-
2 cers do all that is feasible to make certain that
3 pregnant and post-partum women are not held
4 in solitary confinement for any duration;

5 (L) ensuring that correctional facility offi-
6 cers work towards systems that limit the cir-
7 cumstances and conditions under which juve-

13 (O) such other matters as may reasonably
14 be related to the goal of reducing solitary con-
